House Attic Renovation scheduled for October 24 through early November

We are planning on renovating the attic and adding a finished interior surface to the ceiling so that the squirrels have a nice place to call home for the winter. During this period all of the costumes, material and acorns will be temporarily relocated to the first floor and will consume much (if not all) of the floor space. Please do not plan any activities (at least not of a large size) in the hose house during this period. Instead please consider spending a few hours during this period helping out with the renovation (a schedule of the work days and times will be sent out later). Thank-You ... The Capital Planning Committee

Off-Season show presentation

Anyone interested in presenting an idea for an "Off Season" show (either musical or straight play) to the Board of Directors should e-mail colonialchorusplayers@yahoo.com and request the guidelines for putting a proposal together. The venue does not have to be the Hose House, but you do need to put a team together - Producer, Director, Music Director (if the show is a musical), Choreographer (if the show is a musical) and Stage Manager.
